

PROGRAM

of the International Team and Individual Mathematical Modeling Tournament
for high school students

Kolmogorov School of MSU, Moscow, Russia
October 28 — November 4, 2018

28 October

Sunday

TEAMS' ARRIVAL (whole day)

10:00-10:30 Breakfast

14:00-14:30 Lunch

19:00-19:30 Dinner

29 October

Monday

10:00-10:30 Breakfast

11:00-15:30 Registration of the Tournament participants

14:00-14:30 Lunch

15:15- 16:00 Opening of the Tournament, short team presentations. Assembly Hall, 4th floor

16:15-17:00 Organization meeting of the team advisors. Handing out the M²C task. Room 39 (room can be changed)

18:30-20:00 Welcome dinner

23:00 Lights out

30 October

Tuesday

9:00-9:30 Breakfast

10:00-12:00 *Math Applied to Science* (MATS) Olympiad

11:00 - 15:00 MCCME book store. Lobby, 1st floor

14:00-14:30 Lunch

15:00-17:00 *Math Around Us* (MAU) Olympiad

19:00-19:30 Dinner

20:00-21:00 Basketball, volleyball. Gym hall

23:00 Lights out

31 October

Wednesday

9:00-9:30 Breakfast

10:00-21:00 Teams work on the M²C task. Papers to be submitted by 21:00

9:30-14:30 Team advisors attend lectures and workshops on teaching mathematical modeling in school, training teams for math modeling competitions, and organizing competitions. Round-table discussion

14:00-14:30 Lunch

19:00-19:30 Dinner
21:00-23:00 Disco (lobby, 1st floor)
23:00 Lights out

1 November **Thursday**

8:00-8:30 Breakfast
9:00-11:00 *Empirical Optimization Contest (EOC)*
11:30 Teams prepare their MMC presentations (all day)
14:15-15:15 Lunch
15:30-18:30 Optional culture program event
19:00-19:30 Dinner
23:00 Lights out

2 November **Friday**

9:00-9:30 Breakfast
9:30-14:30 M²C teams' presentations
14:30-15:00 Lunch
15:00-19.30 Optional culture program event
19:00-19:30 Dinner
23:00 Lights out

3 November **Saturday**

9:00-9:30 Breakfast
11:30-12:30 Closing ceremony and awarding the winners (Assembly Hall)
14:00-14:30 Lunch
14:30-18:00 Optional cultural programme event
18:00-19:00 Dinner

DEPARTURE during the day (also possible on November 4)

Attention! Culture program can be changed!
